“Social Night”

Welcome: Welcome all members warmly to the meeting.

N.B Cell Shepherd :

This cell night is dedicated as a “social night.” A social night is a get-to-know-each-other night. Please plan activities around your group getting to know each other better.

It is also a night were:

- a) we learn more about each other (get closer)
- b) neighbours, friends and family members can be invited to spend time with the group.
- c) topics can be discussed that directly affect the group
- d) encouragement offered to the group to go out and make a difference for Christ

If you need any assistance , please consult your senior shepherd.
