## Cell Group Notes

22 January 2015

### “Opening Night – Drawing Near”

#### **Cell Notes:**

#### **Welcome:**

Take some time to welcome all members back to the new No Limits cell year. Enquire from members how the holidays were, did they travel, what did they do, etc. (allow ample time to allow people to settle back into the group – pay special attention to any new comers)  
Also take account of who has not returned and looked into it.

#### **Interaction Point 1:**

Share with members the possibilities that lie before us with the year of No Limits.

Joshua 6:1-10 this year there will be no walls that can limit us as Gods children, no hindrances that can prevent us from the journey that God has set before us. This year those things that we feel are impossible or are guarded like fortresses against you will give way to you, this is Gods promise to us in this year of No limits.

Enquire from group, what are the areas that they would personally like to see this grace of No limits operate in(their work, marriage, finances, etc)

Allow group to share and make notes (to help you with praying these areas in manifestation)

Encourage members:

- |   |               |
|---|---------------|
| a) that all things are possible with God  | Mathew 19:26  |
| b) God is not a man that He should lie    | Numbers 23:19 |
| c) His word will never return to him void | Isaiah 55:11  |

Take time to pray with group, focusing on getting intimate with the Lord.

Cell Shepherd: 1) Please ensure that member list is completed and forwarded to senior shepherd.

2) Our focus this year is the spiritual health of Gods children – take note of where the cell group and individuals are at this stage (make some notes- refer to your cell shepherd training manual for levels of spiritual growth, one can mention them and query from group as to where they stand). These notes can be used as a tool to measure the growth for this year. Be available on Wednesday Bible study for more info.
