“Social Night”

Welcome: Welcome all members warmly to the meeting.

Please note that this Thursday’s cell meeting will be a “Social Night”, as discussed in meeting plan and prepare a meeting to allow members to be more social and to invite our “oikos” connections to the group.

Please speak to senior shepherd if you have any challenges or are in need of ideas for the cell meeting.

Remember our focus this year is on spiritual growth, endeavour in all meetings to identify what level members are on and how we can lead them to the next level.

Have fun
